

ULTRACTION
GENERAL CONTRACTING

COMPANY PROFILE

Building *Infrastructure* With Purpose

ULTRACTION General Contracting LLC is a leader in civil construction and concrete structure works. We combine skilled engineering teams, hands-on execution, and value engineering to deliver safe, efficient, and high-performance outcomes across the UAE.

ULTRACTION
GENERAL CONTRACTING

GENERAL MANAGER MESSAGE

"At ULTRACTION, construction is more than assembling structures. It is about creating spaces that serve communities, uphold safety, and stand as lasting proof of quality and innovation."

ENGR. WAEL MAHMAH
GENERAL MANAGER

How We Deliver

FROM PLANNING TO HANDOVER

STAGE 01

ULTRAKTION
GENERAL CONTRACTING

STAGE 02

VALUE-ENGINEERED DELIVERY

Our teams integrate value engineering across planning and execution to optimize constructability, cost-efficiency, and schedule performance.

STAGE 03

SAFETY AND SUSTAINABILITY BY DESIGN

From method statements to handover, we prioritize jobsite safety, environmental responsibility, and resilient outcomes for communities.

STAGE 04

TRUSTED REGIONAL PARTNERSHIPS

We continue to grow through repeat delivery, transparent collaboration, and strong partnerships with major contractors, developers, and consultants.

***Trusted* By Industry Leaders**
